Hi Jim, I will let you know. David will not be available.

The Karen Wall petition was dismissed. I'm doing a lot on providing and researching records for the attorneys and getting the pdf records ready for the response attachments. The draft John Anderson response should be ready for review starting this Friday. The other two are being reviewed by OW and redrafted by the Attorney. I'm expecting to review the redrafted SWVP response on or after 3/28. The draft GRIC response maybe back to me for review later next week.

Subject: Excelsior conference call on Thursday, 3-23 and Florence Copper petition status

Hi Nancy,

Is there a call scheduled for tomorrow morning? I have not received a notice or call in number for it. Has Excelsior submitted its responses to EPA comments?

Also, what is the status of the Florence Copper permit petition responses?

Thanks,

Jim
